Due to the service orientated nature of Blue Apple Payroll, we are able to offer you a service that will make your life a whole lot easier when it comes to processing the physical salary payments for your employees. This service will be of particular interest to you if you paying your employees via internet banking or any other manual means.

Blue Apple Payroll utilises the services of Netcash to process all EFT transactions. Netcash also deliver their services via the internet and being an online provider ourselves we integrate with them seamlessly.

There are 3 benchmark reasons for utilising this facility:

Most banks charge anywhere between R7.00 - R15.00 for a salary payment, you will only pay R3.00 for e
